Features & Benefits

- OWL Range has a decorative appearance and is available in 3 sizes. The triangular, sculpted shape and high impact resistance make it perfect as an overhead exterior solution in demanding environments
- Heavy gauge die-cast aluminium housing with a high output polycarbonate, anti-vandal diffuser
- Recessed profile fixings, coupled with tamper-proof Resistorx security screws and sloping shape reduces ligature potential, while also deterring wildlife from nesting or roosting
- IP65 and IK11 rated (50J)
- Anthracite grey finish as standard (other colours available upon request)
- Suitable for rear and side cable entry
- Suitable for conduit and BESA box installation
- PCB integrated with diffuser for easy installation
- Selectable colour 3000K / 4000K output (not included on Owl Asymmetric)

Primary Applications

High Risk

Designed for low, medium and high-risk secure services

Custodial

Exterior applications

Mental Health

Exterior applications

Infrastructure

Car parks, railway stations and subways

Specification Assist

Triangular bulkhead, weather and vandal resistant >IK11 (50J) and >IP65 with thick aluminium body and 3mm polycarbonate LED Opal lens, tamper-proof Resistorx security screws.
